

S. Kaniklides (Cyprus) Limited

COMPANY PROFILE

ISO/TR 13028 (Information and Documentation - Implementation Guidelines for Digitization of Records)

S. Kaniklides (Cyprus) Limited

S. Kaniklides (Cyprus) Limited features among the most reliable partners of companies in Cyprus, offering high quality services with immediate support and ultimate efficiency.

The company was founded in 1959 by Mr. Costas N. Kaniklides and started out with a small bookshop in Nicosia, opposite the Archbishop Palace. The company, which specialised in books and stationery supplies at the time, started to grow over the years and expanded in other sectors too, such as paper goods and envelope supplies.

In 2000, the company was renamed to "S.Kaniklides (Cyprus) Limited" and, today, it provides the whole island with quality products, featuring a wide range of well-established brands. This ample variety of products and brands, together with its long experience in the field, enabled the company to become a leader in the market. Moreover, KANIKLIDES is the official distributor in Cyprus of the American lifestyle brand Eastpak. The company's vision and long-held dynamic position in the Cypriot market led to an investment of over 5 million euros

in 2009: the creation of a state-of-the-art centre ensuring maximum security and providing storage services to companies and organisations handling sensitive data. Its facilities fully comply with the demanding regulation (EU) 305/2011 of the European Parliament that is currently in force, with the applicable requirements of the Cypriot Construction Products Regulations of 2013 - 130(I)/2013, as well as with the instructions on Fire Safety of the Fire Service of Cyprus.

Our company is certified for ISO 9001 (Quality Management), ISO 27001 (Information Security Management System), ISO 22301 (Business Continuity Management), ISO/TR 13028 (Information and Documentation - Implementation Guidelines for Digitization of Records), ISO 14001 (Environmental Management System), and ISO18001 (Occupational Health and Safety Management).

Secure Storage Services

The storage centre of the company covering an area of 4060 m², with a height of 13.25m and a capacity of 4700 pallets, is able to accommodate and fully protect your printed files and documents.

SECURE DOCUMENT MANAGEMENT SERVICES

S. Kaniklides (Cyprus) Limited specialises in secure storage and document management, under strict confidentiality. In 2009, the company invested over 5 million euros for the creation of a high-security center that complies entirely with National and European regulations concerning managing sensitive data. Its facilities fully comply with the demanding regulation (EU) 305/2011 of the European Parliament that is currently in force, with the applicable requirements of the Cypriot Construction Products Regulations of 2013 - 130(I)/2013, as well as with the instructions on Fire Safety of the Fire Service of Cyprus.

By means of innovative technological methods across the entire spectrum of the services it provides, KANIKLIDES pioneers as a reliable partner to every business in Cyprus. Its competent and well-trained staff ensures that the process of scanning, digitization, filing and storing of documents is in compliance with the International and Local standards related to the safe storage of documents and the protection of sensitive data.
